FDD Abstract of Shipping reports; 65 pp; Flemish; 

25X1X

Each of the 31 reports contains information regarding the movement and identity of <sup>ships</sup>/docking in Antwerp of Ghent from 1 to 27 May, including: name of ship, flag, owners, agent, ports of origin, call and destination, dates of arrival and departure, number and nationality of crew. A complete crew list is attached to each report.

The SS Volochaevsk (USSR) and MS Crna Gora (Yugoslavian) are described in considerable detail as to rigging, markings, dimensions and tonnage. For the Yugoslav vessel the builder is given, presence of radar, echo sounding device and radio direction finder are noted. The engines of the Soviet ship are described in some detail.

Cargoes on arrival and departure are given for SS Poznan (Polish), SS Dagmar, SS Kaisaniemi (Finnish) and MS Pula (Yugoslavian).
